SUPPLEMENTARY INFORMATION: The Charter of the NEJAC states that the advisory committee shall provide independent advice to the EPA Administrator about areas that may include, among other things, “advice about broad, cross-cutting issues related to environmental justice, including environment-related strategic, scientific, technological, regulatory, and economic issues related to environmental justice.”

The meeting shall be used to receive comments, and discuss and/or provide recommendations regarding these primary areas: (1) Updates on EPA’s Plan EJ 2014; (2) Updates from NEJAC work groups on Science and Research, Community Resiliency, and Indigenous Peoples; and (3) EPA’s draft technical guidance on incorporating environmental justice in rulemaking; and (4) environmental justice in permitting. In addition, the Council will recognize the 20th Anniversary of the NEJAC.

A. Public Comment: Individuals or groups making oral presentations during the public comment periods will be limited to a total time of five minutes. To accommodate the large number of people who want to address the NEJAC, **only one representative of an organization or group will be allowed to speak**. If time permits, multiple representatives from the same organization can provide comment at the end of the session. In addition, those who did not sign up in advance to give public comment can sign up on site. The suggested format for written public comments is as follows: Name of Speaker; Name of Organization/Community; City and

State; E-mail address; and a brief description of the concern and what you want the NEJAC to advise EPA to do. **Written comments received by Noon Eastern Time, Wednesday, August 28, 2013, will be included in the materials distributed to the members of the NEJAC.**

Written comments received after that date and time will be provided to the NEJAC as time allows. All information should be sent to the mailing address, e-mail address, or fax number listed in the “FOR FURTHER INFORMATION, CONTACT” section above.
